2. Eligibility criteria and remuneration payable to the Expert Staff is as under:

Sr. No.	Post	Educational Qualification	Experience	Lump sum monthly Remuneration
1.	Infrastructure Engineering Experts (Water Supply and Sewerage) Level-I - 03	B.E. /B. Tech. in Civil Engineering from any recognized university or institute of India.	• Minimum 2 years working experience in a Central/State Department or undertaking and/or in listed private company/organization in water sourcing, planning & management of water projects including recycling and reuse of waste water, STP and restoration of water bodies and lake conservation, master drainage of megacity. • Design and restructuring of transmission and distribution of water supply network projects. • Experience in Operation & Maintenance of Urban Water Supply Schemes/STP's /Drainage	Rs. 60,000/-
2.	Infrastructure Engineering Experts (Road, Buildings & Mobility) Level-I - 01	B. Tech in Civil Engineering from any recognized university or institute of India.	• Minimum 2 years working experience in a Central/State Department or undertaking and/or in listed	Rs. 60,000/-

		private company/organization in Traffic planning & management of roads & drainage projects including traffic survey, road crust design, intersection design, traffic lights networking, rigid and flexible pavement. • Planning & Design of Roads & drainage network of any mega city in India including disposal networking.	
3.	Infrastructure Engineering Experts (Horticulture) Level-I - 02	B. Sc. (Hons.) Agriculture having major subject horticulture or B.Sc. (Horticulture)	Minimum 2 years working experience in Plantation i.e. avenue plantation, shrubs plantation, arboriculture, landscaping, floriculture and bio-aesthetic planning in Urban Areas. Any government organization or reputed private organization.	Rs. 60,000/-
4.	Geospatial Information Systems and Technology Expert (Survey) Level-I - 02	1st class Graduate/Post Graduate in Remote Sensing/GIS/Geo-informatics or BE/B. Tech in Computer Science/Information Technology with Post Graduate Diploma in GIS from recognized University.	2 Years minimum experience in Field Survey through GPS, DGPS, ETS or any other technology as well as establishment and operation of Continuously Operated Reference Station (CORS) network.	Rs. 60,000/-

5.	Geospatial Information Systems and Technology Expert (Cadastral) Level-I - 01	1st class Graduate/Post Graduate in Remote Sensing/GIS/Geo-informatics or BE/B. Tech in Computer Science/Information Technology with Post Graduate Diploma in GIS from recognized University.	2 Years minimum experience in Cadastral Survey using GPS, DGPS, ETS or any other technology.	Rs. 60,000/-
6.	Geospatial Information Systems and Technology Expert (Software Development) Level-I - 02	1st class Graduate/Post Graduate in Remote Sensing/GIS/Geo-informatics or BE/B. Tech in Computer Science/Information Technology with Post Graduate Diploma in GIS from recognized University.	2 Years minimum experience in development of GIS based applications or publication of GIS data on portal for use or Business Analytics of data of GIS applications.	Rs. 60,000/-
7.	Geospatial Information Systems and Technology Expert (Quality Assurance and Standardization) Level-I - 01	1st class Graduate/Post Graduate in Remote Sensing/GIS/Geo-informatics or BE/B. Tech in Computer Science/Information Technology with Post Graduate Diploma in GIS from recognized University.	2 Years minimum experience in quality audit or standardization of GIS data published on portal.	Rs. 60,000/-
8.	Geospatial Information Systems and Technology Expert (FMDA Plan 1) Level-I - 01	1st class Graduate/Post Graduate in Remote Sensing/GIS/Geo-informatics or BE/B. Tech in Computer Science/Information Technology with Post Graduate Diploma in GIS from recognized University.	2 Years minimum experience in GIS database creation and planning support for development plan, Infrastructure development plan, Mobility Management plan and Urban Environment plan.	Rs. 60,000/-

9.	Geospatial Information Systems and Technology Expert (Property and Land Record Management) Level-I - 01	1st class Graduate/Post Graduate in Remote Sensing/GIS/Geo-informatics or BE/B. Tech in Computer Science/Information Technology with Post Graduate Diploma in GIS from recognized University.	2 Years minimum experience in GIS database creation, updating and management of property or property registration and land records.	Rs. 60,000/-
10.	Architectural Expert Level-I - 01	Graduate in Architecture from India and registered with of the Council of Architecture.	Minimum 2 years working experience in the relevant field and the candidate shall have proficiency in relevant software like Auto Cad, Photoshop, MS Office and preparing power point presentation.	Rs. 60,000/-
11.	Engineering Expert Level-I - 04	Graduate degree in Civil Engineering from any recognized university or institute of India.	Minimum 2 years working experience in surveying, building construction and preparation of site plans etc.	Rs. 60,000/-
12.	Geospatial Information Systems and Technology Expert (AI/ML) Level-II - 01	1st class Bachelor's Degree/ Master's Degree/ PHD in Computer Science and Engineering/ IT/ Data Science/ AI-ML/ Geoinformatics/ Agricultural Science from a recognized University.	5 Years Minimum experience in applications development management using Al-ML/LLM.	Rs. 90,000/-
13.	Geospatial Information Systems and Technology Expert (Infrastructure) Level-II - 01	1st class Bachelor's Degree/ Master's Degree in Computer Science/ IT/ Electronics/ Geoinformatics from a recognized University.	5 Years Minimum experience in managing and optimizing GIS servers, enterprise geodatabase, network infrastructure, storage systems and GIS software environments in Government/ PSU/ large-scale enterprise setups.	Rs. 90,000/-
14.	Transport Planning Expert Level-III -01	Post Graduate degree in urban planning from recognized University in India.	10 years or more experience is desirable in the implementation of city mobility plans, city transport strategies, and large-	Rs. 1,20,000/-

		scale urban transport projects, preparation of last-mile connectivity plans and advising policymakers on sustainable mobility. Minimum of five years of work experience with a government organization is required	
15.	Infrastructure Engineering Expert Level-III - 01	Post Graduate Degree in Transport Engineering / Highway engineering / Urban Transport Planning from any university or institute of India.	10 years or more experience is desirable as a consultant in infrastructure projects, including the execution of elevated projects, work experience with NHAI, verification of EPC project bills, and execution of turnkey projects in India. Minimum five years of work experience with a government organization is required	Rs. 1,20,000/-
16.	Information Technology Expert Level III - 01	Post Graduate Degree in engineering with specialization in computer science or I.T from any university or institute of India.	10 years or more experience in design and development, implementation of I.T systems, cloud Management and having worked at senior level passion in government organization or large corporation and also command on the latest programming languages.	Rs. 1,20,000/-

- **Selection Process: -**

a. The engagement for the aforementioned positions shall be on contract basis for a period of one year initially which may be further extended for a period of not more than two years, keeping in view the requirement of the Authority and work performance of the Expert.

b. Selection of candidates shall be merit-cum- interview based. However, the Authority reserves the right to get a computer based - screening test conducted, if the need for the same is felt depending upon the number of applications received.

c. Please note that the engagement of Experts in FMDA is purely contractual in nature. The selected candidates shall have "No claim" to permanent employment at any stage and the Authority reserves the right to terminate the employment as and when the strength of regular staff in FMDA is sufficient.

d. The Authority reserves the right to restrict the number of candidates for interview or for online written test by prescribing cut off percentage in essential qualification or other criteria.

e. Experience of the candidates will be verified with reference to their UAN number etc.

f. Preference shall be given to candidates residing in and around Faridabad.

- **Application Process: -**

    - Interested applicants must submit their applications online at (https://deployment.setchartron.in/). The deadline for application submission is 31.03.2026, Tuesday (23:59 Hrs.). Candidates are encouraged to apply early to avoid last-minute delays.
    - Application should give complete detail of the candidate including name, date of birth, residential address, work experience etc. in the Performa.
    - Applications will only be accepted through (https://deployment.setchartron.in/). No other application methods will be considered.
    - Applications along with photograph and signatures of candidates need to be uploaded in the application form at relevant places.
    - Applicants who have applied in response to FMDA Advertisement No.1/2026 published on 30.01.2026 for these posts need not apply as their applications already received will be considered.

- **Application fee:**
  a) **The applicant must pay an application fee of Rs. 500/—plus GST (18%) = Rs. 590/- when submitting the online application form.**

I.   Other terms and conditions:

- Applications that are incomplete will be rejected without further consideration.

- The applications link will be disabled after the final date. No requests for an extension will be considered.

- Modifications or Additions to the application are not admissible after the online form has been submitted. Hence, candidates should be very careful when filing the application.

- Candidates can apply with a single application. Multiple applications will be automatically rejected.

- Candidates who have obtained degrees/diplomas/certificates from any institution declared fake by University Grants Commission shall not be eligible. **Correspondence or part time degrees shall not be considered**.

- Date of issuance of final mark sheet shall be taken as the date of acquisition of the qualification. The candidate must possess the same as on the closing date of receipt of application. All educational qualifications must be obtained from a university or institute recognized by the UGC, AICTE or Central and State Governments only.

- The applicant must be under the age of Forty years as on the closing date of receipt of application.

- Any form of canvassing would result in the candidate's disqualification.

- The number of vacancies is purely provisional and may be increased or decreased at the sole discretion of the FMDA.

- FMDA reserves the right not to fill any or all of the advertised positions and to reject any or all applications without providing a reason.

- The remuneration payable to the candidates selected for engagement on contractual basis shall be as mentioned in the table above. The consolidated monthly remuneration shall be inclusive of income tax payable by the candidates. No special pay, compensatory Allowance, Medical Allowance or any other allowance shall be payable and there shall be no annual increment. Persons appointed on contract basis shall not be eligible for any kind of medical, pension, gratuity or death benefit etc. for the period of such appointment.

- Candidates are required to select place of exam while filing up the online application form. Candidates will not be provided any travel or daily allowances for appearing in the written test.

- The location, date, and time of interview/examination at Faridabad/Gurugram/Ambala will be communicated to all candidates through the recruitment portal periodically.

- All further information regarding the engagement will be provided at the (https://deployment.setchartron.in/).

- FMDA, decision on all matters will be final. No correspondence or interim inquiries will be entertained from candidates regarding the selection process. Any disputes related to the engagement process will be subject to the jurisdiction of Courts and Tribunals located in Faridabad only.

- Candidates selected for engagement shall be required to provide all original documents supporting all the details mentioned in their application form concerning their date of birth, educational qualifications, experience and other claims as and when called for.

Important Date

Opening date for submission of online application form 18.03.2026 Wednesday (10:00 Hrs).

Last date for submitting the online application form 31.03.2026, Tuesday (23:59 Hrs).
